***Northeast Iowa Agricultural
Experimental Association***

***Annual Spring Field Day at the
ISU Northeast Research Farm, Nashua***

Complimentary lunch at 12 p.m., sponsored by Pioneer Hi Bred International. The first session will be in the meeting room of the Borlaug Learning Center beginning at 11:00 a.m., followed by outdoor sessions ending by 3:00 p.m.

Crop Weather Update & Trends – Madelynn Wuestenberg, agricultural climatology extension specialist

Other Topics & Speakers (Outside):

Soil Erosion Rate: What Does it Mean and How Much is Occurring? – Rick Cruse, Professor and Director of the Iowa Water Center

Navigating Nitrogen Management in a Wet Spring – Richard Roth, extension nitrogen education specialist

Directions to the farm from Nashua: Take Exit 220 off of Hwy. 218: Go west on B60 1.1 miles to Windfall Avenue. Turn south on Windfall Avenue and go 1 mile to 290th street (T intersection). Then turn east to the farm (1/4 mile). Please RSVP us at neira@iastate.edu by Monday, August 28th in order for us to get an accurate head count.
