

# Southeast Research and Demonstration Farm

## SUMMER FIELD DAY

**JUNE 21, 2023 - 1:00 to 3:30 PM**

**3115 Louisa-Washington Rd, Crawfordsville, IA**

Brought to you by Iowa State University Extension and Outreach and the Southeast Iowa Agricultural Research Association.

### Field Day Topics:

#### Research Farm Updates

Cody Schneider, Farm Superintendent

#### Current status of Mung bean breeding at ISU

Ashlyn Rairdin, graduate student, Agronomy Department

#### From the Ground Up: Using Drones for Crop Spraying, Field Mapping, and Precision Agriculture

Dennis Bowman, Extension Specialist - Digital Agriculture, Illinois Extension

#### Developing tools to predict corn diseases and improve management

Alison Robertson, Extension Plant Pathologist

#### Potential for relay and double cropping in Iowa

Mark Licht, Extension Cropping Systems Specialist

Field Day check-in begins at 12:30, and the field day starts at 1 PM. Free and open to the public. No pre-registration required. Certified Crop Advisory can earn 1.5 Crop Management and 0.5 Pest Management CCA credits.
